

PIENAAR ENERGY (PTY) LTD

Qiuqiu Hero Photovoltaic Panel

Overview

High-quality solar panels made with top-grade materials. Rigorous testing to ensure maximum performance, reliability and durability. Expert technical support and advice. Qcells solar modules with Q. Qcells offers a variety of color and size options, designed for optimal aesthetics and performance. Our modules have received the renowned designation. MULTI BUSBAR 9BB HALF CELL Stronger current consumption, design at much lower hot spot temperatures. 38% Higher power results in lower lifetime production capacity, power reductions (degradation). SHADOW-RESISTANT SEMI-CELL Excellent micro-cracking proof balanced internal load. Qcells is a Tier 1 solar panel manufacturer that makes high-performance photovoltaic (PV) and energy storage products for the residential, commercial, and industrial solar energy markets. Premium Efficiency with Proven ROI: QCell 400W panels achieve up to 21.1% efficiency with superior low-light performance, generating 15-20% more lifetime energy than budget alternatives while maintaining payback periods of 6-9 years in most U.
