

PIENAAR ENERGY (PTY) LTD

Quality of flywheel energy storage cabinet for Ukrainian communication base station

Voltage range

636V-876V

Rated voltage

768V

Cell type

Lithium iron phosphate

Overview

Thanks to the unique advantages such as long life cycles, high power density, minimal environmental impact, and high power quality such as fast response and voltage stability, the flywheel/kinetic energy stora.

Quality of flywheel energy storage cabinet for Ukrainian communica

Energy Storage Equipment, Energy storage solutions, Lithium battery

The solution adopts new energy (wind and diesel energy storage) technology to provide a reliable guarantee for the stable operation of communication base stations.
