Recruiting workers to install solar photovoltaic panels

Overview

Explore resources for employment and wages by state and area for solar photovoltaic installers. So, we hire a variety of solar installers, assemblers and welders, and then dispatch them to projects around the country when businesses like yours need an extra hand. Lean on PRST for your solar installer and solar project staffing needs, and together we'll leave a lasting influence for. At SourceLine, we help solar and renewable energy companies find and connect with qualified, interest-ready candidates across Installation, Electrical, Operations, and Sales roles. Our construction staffing firm can mobilize a national workforce for your IRA funded and Davis-Bacon projects. Leverage local trade schools and vocational training programs, 2.
