

PIENAAR ENERGY (PTY) LTD

Rent to companies to install solar power generation

Overview

Welcome to Sun For Rent, your trusted provider of reliable, solar generator rentals. Explore our services and find the perfect power solution for your needs. As a leader in equipment rental solutions, Herc Rentals provides teams with high-quality, specialized renewable energy equipment to build and maintain new wind and solar fields nationwide. For more information on how we provide assistance, from enhancing operation efficiency to ensuring the safety. For companies with high electricity consumption, it is particularly worthwhile installing a photovoltaic system on the roof. However, not every company can or wants to make the high investment required to purchase a PV system.
