

**PIENAAR ENERGY (PTY) LTD**

# **Solar 8kW solar container energy storage system solution**

## Overview

---

This all-in-one solution combines 8kW solar panels, a 97.9% efficient hybrid inverter, and 15kWh LiFePO4 battery storage to power homes, farms, or small businesses day and night. Grid-ready, generator-compatible, and. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. The Intech Energy Container is a fully autonomous power system developed by Intech to provide electricity in off-grid locations. Each container is equipped with a photovoltaic array, a battery bank, and a generator — all custom-sized to meet the specific needs of the customer. Stabilize Your Energy Use Store energy when demand is low, use it when demand spikes.
