Overview

We—DC Government—cover the cost for you to work with a local installer to design and install a solar panel system for your home. Solar panel systems can decrease your electricity costs by as much as \$500 per year. This program is called Solar for All and Solar Works DC. Additionally, the Clean Energy DC (CEDC) Omnibus Act of 2018, raised the percentage of solar energy carve out in the District from 5% to 10% by 2041. The bill's changes to the District's Renewable Energy Portfolio Standard's (RPS) solar carve-out and compliance fees will generate new special purpose revenues of approximately.
