

PIENAAR ENERGY (PTY) LTD

Solar battery cabinet sales model

Overview

Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly. Need to integrate a back panel with a charge controller and a battery?

We can design, build, and integrate a complete system for your solar battery enclosure! Take the guesswork out of your solar system and let us put together the perfect solution for you. The commercial and industrial (C & I) system integrates core parts such as the battery units, PCS, fire extinguishing system. Sunwize Power & Battery Battery Enclosures are available in various sizes and configurations for housing batteries and support equipment, engineered specifically for the PV industry but suitable in a wide variety of applications. Most of our enclosures are designed to NEMA3R and rated for outdoor. KDM is your professional solar battery enclosure manufacturer in China. MNBE-A Holds three group 31 or 27 sealed batteries per shelf side by side or two per shelf end to end.
