

## PIENAAR ENERGY (PTY) LTD

# Solar energy storage cabinet lithium battery energy storage increment

BMS Wiring Diagram

## Overview

---

The Cabinet offers flexible installation, built-in safety systems, intelligent control, and efficient operation. It features robust lithium iron phosphate (LiFePO<sub>4</sub>) batteries with scalable capacities, supporting on-grid and off-grid configurations for reliable energy. BSLBATT ESS-GRID Cabinet Series is an industrial and commercial energy storage system available in capacities of 200kWh, 215kWh, 225kWh, and 245kWh. It offers peak shaving, energy backup, demand response, and increased solar ownership capabilities. Supports. HAIKAI LiHub All-in-One Industrial ESS (Energy Storage System) is a powerful and compact lithium battery solution designed for reliable energy management. Each LiHub cabinet integrates inverter modules, high-capacity lithium battery modules, a cloud-based EMS (Energy Management System), fire. The Vertiv™ EnergyCore Li5 and Li7 battery systems deliver high-density, lithium-ion energy storage designed for modern data centers. Constructed with long-lasting materials and sophisticated technologies inside.
