## Overview

---

Renting a generator for a day typically costs between \$50 and \$200. Generators provide essential backup power for events, construction sites, and emergencies. Our silent, clean energy solutions are perfect for remote job sites. United Rentals carries an extensive selection of generators for rent, including portable gas generators and diesel generators of varying outputs and fuel capacities to suit your needs. Get these exclusive online rates by renting through our website or app. When your home or job site needs a little or a lot of extra power, head over to your local Home Depot Tool Rental Center for high-powered generators for rent.
