OUTDOOR BATTERY CABINET

Overview

Suitable for off-grid locations and regions with high electricity costs where station construction is needed. Highjoule HJ-SG-D03 series outdoor communication energy cabinet is designed for remote communication base stations and industrial sites to meet the energy and communication needs of the sites. Join us as a distributor! Sell locally — Contact us today! Submit Inquiry Get factory-wholesale deals!. These cabinets help save money and protect the environment. This smart idea cuts costs and lowers pollution. The cabinet is designed to house telecom equipment and features a robust solar panel array on the top, along with batteries and a rectifier system for energy. The solar wind power system control cabinet is composed by wind turbine module, solar MPPT module, inverter power source, and monitor unit,etc. Understanding the Structure of Outdoor Communication Cabinets.
