

PIENAAR ENERGY (PTY) LTD

Solar road lighting system manufacturers

Overview

Our solar powered street lighting systems are ideal for a wide variety of applications, from solar road lighting to public parks and pathways. As a trusted solar street light manufacturer, we deliver robust and sustainable off-grid street. Bring safer, more efficient illumination to expressways and freeways. The utilization of LED technology enables it. Solar highway lights and roadway lights require high brightness, wide light distribution, and stable performance under demanding conditions.
