Solar together scheme kent

**Low Voltage
Lithium Battery**

6000+ Cycle Life

Overview

Homeowners, landlords or small businesses in Kent can register for a free quote for up to 25 solar photovoltaic (PV) panels. If you already have solar panels installed, you can apply for battery storage to maximise the benefits. Register for free and without obligation. It takes five minutes to register and our helpdesk. Considering whether to have solar panels and/or battery storage fitted?

Register for free with Solar Together Kent and receive a no obligation recommendation for your property, giving you information about costs and potential savings. Formerly known as Solar Together. We don't have any active schemes in your area right now, but you can register your interest, and we'll let you. Solar Together Kent is a solar panel, battery storage and EV charging point group-purchase scheme which to date has seen more than 280 solar PV and battery installations on resident and business rooftops in the Ashford borough.
