

PIENAAR ENERGY (PTY) LTD

Special rain shelter for solar inverter

Overview

This easy to install canopy keeps the rain and snow off of inverters and batteries mounted outside. Multiple canopies can be joined together where there is a need for a longer protection. The shelters provide a perfect total solution for your cable management in combination with our other ValkCableCare products. It is available in. For the 2025 holiday season, eligible items purchased between November 1 and Decemcan be returned until Janu. Outdoor Rain Canopy Our porch canopy is made of 3. 5mm high-impact wall polycarbonate sheet, which is transparent, not easily deformed, heat-resistant. Protecting your solar inverter from the sun primarily involves installing it in a shaded or sheltered location, such as inside a garage or under a patio.
