

PIENAAR ENERGY (PTY) LTD

Swedish mobile home energy storage solar container lithium battery manufacturer

Overview

Global Energy Storage Solutions Battery AB (GESS) provides battery energy storage systems for wide variety of applications from small residential installations to large commercial projects. Our systems are specially designed for Nordic Region. Northvolt, as one of the top 10 energy storage companies in Sweden, founded in 2015 by former Tesla executives, is a Swedish battery manufacturer specializing in lithium-ion technology for electric vehicles and energy storage. It began producing batteries in 2021 at its factory in Skellefteå. Northvolt AB is dedicated to producing sustainable lithium-ion batteries that significantly reduce carbon emissions, aiming to support electrification and renewable energy storage. The materials used are abundant and available in Europe – free from conflict minerals and toxic elements. Companies involved in Storage Systems production, a key component of solar systems. Information is checked, categorised and connected.
