

PIENAAR ENERGY (PTY) LTD

Tanzania outdoor solar power hub custom manufacturer

Overview

At Greenlink-ReGen, we specialize in large scale solar energy services in Tanzania & Zanzibar, delivering high-performance, tailor-made systems for commercial and industrial applications, like lodges, islands, factories, hospitals and offices. Tanzania's leading provider of solar energy solutions. Our mission is to provide affordable. We design and install advanced solar carport systems that provide clean energy for electric vehicles and facilities — supporting sustainable mobility and green infrastructure across Africa. With operations in four regions and projects impacting thousands, we are redefining access to electricity. Rex provides unique specialized services tailored to meet the requirements in the country and the region in terms of solar energy and back-up systems.
