

**PIENAAR ENERGY (PTY) LTD**

# **The generator of the Burundi solar power plant**

## Overview

---

The power station was constructed between January 2020 and October 2021, by Gigawatt Global Coöperatief, the Netherlands-based multinational independent power producer (IPP), through its local subsidiary Gigawatt Global Burundi SA. The Mubuga Solar Power Station is a grid-connected 7.67MWp solar PV power plant is improving the energy supply in Burundi and has boosted the country's generation capacity by 10%. Burundi's first solar PV power plant has reached commercial operation. Located in Mubuga in the Gitega Province, the project - which is the country's first system for an office in Burundi. The system is composed of roof mounted 40kWp of solar panels on a shopping platform in Burundi. Purchaser need is our God for homemade-solar-panels, solar system panels for your. President of Burundi Évariste Ndayishimiye officially inaugurated a solar power plant near the country's capital on Tuesday together with the CEO of the renewable energy company Gigawatt Global.
