

PIENAAR ENERGY (PTY) LTD

The largest solar panel manufacturer in Monterrey Mexico

Overview

Manufacturing Facilities World's No. 1 Shipment for 4 Consecutive Years
JinkoSolar (NYSE: JKS) is one of the largest and most innovative solar module manufacturers in the world. As the country continues to embrace renewables, choosing the right solar panel manufacturer in Mexico has never been more crucial—whether you're a developer, distributor, or EPC contractor. With their CdTe panels specifically designed for high-temperature environments, First Solar has deployed over 800MW across Mexico's sunniest regions. Mexico's Energy Regulatory Commission has published. Our team at Trane Monterrey is taking bold action to lead the way in responsible operations, installing photovoltaic panels and a biological wastewater treatment plant to reduce absolute energy consumption and achieve net positive water consumption for production across three plants.
