

PIENAAR ENERGY (PTY) LTD

The reticuloendothelial system res

LiFePO₄ Battery, safety

Wide temperature: -20~55°C

Modular design, easy to expand

The heating function is optional

Intelligent BMS

Cycle Life: ≥ 6000

Warranty: 10 years

The reticuloendothelial system res

What Is the Reticuloendothelial System?

The Reticuloendothelial System (RES) is an older term for a diffuse network of specialized cells. Modern biology has replaced this phrase with the more accurate Mononuclear Phagocyte System (MPS).
