

PIENAAR ENERGY (PTY) LTD

Tonga energy storage battery manufacturer model

Overview

The two battery storage facilities use Storage GEM®, the innovative modular energy storage container technology developed by the Akuo Group. A total of 8 such containers have thus been deployed on Tongatapu, the Tonga archipelago's main island: three Storage GEM® for Tonga 1 and five for Tonga 2. We are currently working alongside the Tonga Renewable Energy Project to construct Tonga's first ever Battery Energy. Our range of products is designed to meet the diverse needs of base station energy storage.
