

PIENAAR ENERGY (PTY) LTD

Uganda New Energy solar Module Project

**All in one
50-500 Kwh
Hybird
System**

Overview

Uganda has approved a major 100 MW solar project paired with a 250 MWh battery storage system—a landmark initiative for solar energy in Uganda. The project will be delivered by Energy America, with. The 24 MWp Ituka solar photovoltaic project will be the first solar PV project in the West Nile region. The project financing was secured during COP28 with Emerging Africa Infrastructure Fund. Author: Martina Markosyan The.

Uganda New Energy solar Module Project

Uganda's 100 MW Solar and 250 MWh Storage Project Breaks Ground

Uganda accelerates its renewable energy transition with a pioneering hybrid solar-storage facility. The 100 MW photovoltaic array paired with Energy America's 250 MWh battery ...
