Warranty for High-Temperature Resistant Folding Containers Used in Urban Lighting

Overview

Our Laren and Avera product lines come with a limited warranty. The length of the warranty depends on the part or service involved: All non-moving thermoplastic fused wood and metal components have a limited “lifetime” non-transferable warranty. “Lifetime” is defined by the lifetime of the owner of. Thank you for considering Bob's Containers for your container customization needs! We understand the importance of protecting your investment and ensuring your peace of mind. Extreme-temperature process totes and lids withstand large fluctuations and differentials in temperature. The malfunctioning or early degradation of the original manufacturer's parts or materials, caused by subpar craftsmanship or insufficient quality control, allows the manufacturer to choose between repairing or substituting the flawed component or material. The tough, smooth surface won't chip and is mildew-proof.
