

**PIENAAR ENERGY (PTY) LTD**

# **Where is the Guanzhuang Solar Power Station**

## Overview

---

Guanzhuang Solar Power Station is located in the eastern part of China's Shandong Province, near the city of Jinan. The geographical coordinates are approximately 36. 0° E longitude, making it easily accessible by major transportation routes. [2] China's first. An aerial drone photo taken on Jshows a solar thermal energy storage power station in Guazhou County, northwest China's Gansu Province. Phase I completed in October 2011, followed by Phase II and III. Within a group of 1,000 MW of co-located plants Up to 2,000 MW when complete. It is a large-scale PV plant designed to produce bulk electrical power from solar radiation.
