

PIENAAR ENERGY (PTY) LTD

Where is the photovoltaic panel Junmatu power station

Overview

The Junma station is a part of the Dalad Photovoltaic Power Base in the Kubuqi Desert, the seventh largest desert in China, which was approved by the National Energy Administration in November 2017. Strolling around the Junma Solar Power Station located in the Kubuqi Desert in Ordos, North China's Inner Mongolia Autonomous Region, it's hard for visitors to imagine that the area, now covered with blue solar panels and green vegetation, was once being totally barren and called the "sea of. "Junma" is shining all over the world day by day -- the photovoltaic "Junma" power station built with the help of Jingwei Company has entered the Guinness World Record Recently, the Kubuqi Desert photovoltaic "Junma" power station in Dalate Banner, Ordos City, Inner Mongolia, which is built by. In Dalat Banner, Ordos City, Inner Mongolia Autonomous Region, in the vast Kubuqi Desert, a magnificent "horse map" leaps above the yellow sand. Skip the cable setup & start watching YouTube TV today for free. [1] Most are individual photovoltaic power stations, but some are groups of co-located plants owned by different independent power producers and with separate transformer.
