

## PIENAAR ENERGY (PTY) LTD

# Whether the photovoltaic panel plug is waterproof

## Overview

---

Yes — most solar panel connectors, especially MC4 connectors, are engineered to be waterproof with IP65–IP67 ratings. The waterproof performance of a connector directly affects system efficiency, safety, and longevity. What Are MC4 Connectors?

Special plugs designed to link solar panels together are MC4. IP67 portable PV connectors sound bulletproof. This piece separates IP67 rating myth reality, sets practical. Their IP67 waterproof rating and 30-95A current capacity make them suitable for virtually all solar installations, from residential to utility-scale projects.
