Yamousoukro electricity regulations

Overview

PDF created on 5 March 2025 at 08:34. The legislation in this collection has been reproduced as it was originally printed in the Government Gazette, with improved formatting and with minor typographical errors corrected. A scan of. ukro, in Cote d'Ivoire, and crafted a vision for the African Aviation Industry, then known as the Yamoussoukro Declaration on a New African Air Transport Policy. However, one could conclude that. Yamoussoukro uses power outlets and plugs of types C & E. Take a look at the pictures below to see what these plugs and power sockets look like: Doesn't look familiar?

Do the outlets look different in your country?

You'll need a power plug adapter. Type C - The standard European plug. The decision was signed by 44 African states in 1999, and became binding in 2002.
