

PIENAAR ENERGY (PTY) LTD

Zambia Solar Pump Renovation Company

Overview

Power your future with custom solar, wind, and energy solutions for homes and businesses across Zambia. At Fidency Zambia Limited, we are more than just an energy company—we are a catalyst for change in Zambia and the Southern African Development Community (SADC). Hybrid/off-grid inverters with robust LiFePO₄ or AGM batteries. Historically, we have served only large clients in the telecoms, oil & gas and mining industries. Explore our comprehensive range of solar and electrical services, built on expertise and client trust. Expert installation ensuring maximum efficiency and long-term energy savings.

Zambia Solar Pump Renovation Company

Solar and Backup Solutions in Zambia

Solar pumps do not need an inverter as they can operate by direct current (DC). Our service includes panel stands which we produce according to your requirements.
